Meeting Notes

The principal verified the quorum and started the meeting by greeting everyone and reviewing the previous ARC meeting.

Summary of the discussions held during the present meeting

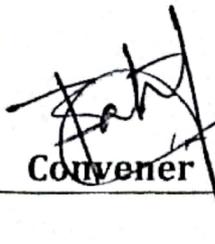

1. The committee reviewed the **status of implementation** of all preventive measures planned during the first meeting.
2. It was reported that **orientation programs and awareness activities** were conducted successfully for students.
3. The functioning of the **Anti-Ragging Squad** and monitoring mechanisms in hostels and academic blocks was reviewed.
4. The grievance redressal mechanisms and complaint registers were verified.
5. **It was unanimously confirmed that no incidents of ragging were reported** during the review period.
6. The committee expressed satisfaction with the effectiveness of the preventive measures implemented.

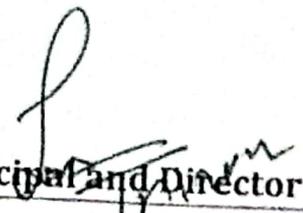

Resolution:

The committee unanimously resolved that the precautionary measures implemented were effective and contributed to maintaining a **ragging-free campus** during the academic year 2025-26.

Outcome of the meeting
