Meeting Notes

The principal verified the quorum and started the meeting by greeting everyone and reviewing the previous ARS meeting.

Summary of the discussions held during the present meeting

1. Preventive measures including **continuous patrolling**, surprise checks, and monitoring of vulnerable locations were discussed and finalized.
2. A **duty roster** was prepared for squad members covering corridors, canteens, and other common areas.
3. The complaint registers and reporting channels were reviewed and kept ready for immediate action, if required.
4. Responsibilities were assigned to squad members for effective monitoring and reporting.

Outcome of the meeting
