Meeting Notes

A meeting of the Sports Committee was convened by the Convener to review ongoing sports activities and to plan sports events for the current semester.

1. Review of Previous Meeting

The minutes of the previous meeting were reviewed by the Convener, and the actions taken on earlier decisions were noted.

2. Upcoming Sports Events

It was discussed and decided that each department will organize one sport during the current

semester.

Mechanical Engineering Department will organize **Tug of War**

Civil Engineering Department will organize **Women's Throw Ball**,

Computer Science & Engineering Department will organize **Football**,

Electronics & Communication Engineering Department will organize **Athletics**,

Electrical & Electronics Engineering Department will organize **Chess**. All other departments were requested to extend necessary support and coordination to ensure the smooth conduct of each sport.

3. Sports Infrastructure

The existing sports facilities and infrastructure were reviewed. Suggestions were invited regarding improvement, maintenance, and effective utilization of the available facilities.

4. Team Management

The process of selection of team captains and coaches was discussed. Team formation and scheduling of practice sessions and competitions were planned.

5. Budget and Sponsorship

The budget allocation for sports activities was reviewed. Possible sponsorship opportunities and efficient utilization of available funds were discussed.

6. Marketing and Promotion

Strategies for promoting sports events and activities were discussed, with emphasis on the use of social media platforms, institutional communication channels, and notice boards.

7. Student Participation

The importance of encouraging maximum student participation in sports activities was emphasized. Feedback and suggestions from students were discussed, and suitable measures were proposed to motivate student involvement.

8. Any Other Matters

Other matters related to sports and physical activities were discussed with the consent of the members present.

The meeting concluded with a vote of thanks proposed by the Convener.
