5. Governance:

Organizational Chart and Processes

Mechanism/ Norms and Procedure for democratic/good governance

Nature and Extent of involvement of faculty and students in academic affairs / improvement

The institute formed specific bodies and various committees for the effective functioning in order to achieve the set goals. Various bodies like governing body, academic committee, IQAC exist in the institution to formulate guidelines and monitoring of the functioning of the institution from time to time. The governing body consists of chairman, management members, University nominee, AICTE nominee, Principal as member secretary, senior professors as members of the government body.

The governing body in general meets once in a semester to review and take decisions on the policy matters of the institute. This body takes decisions related to the financial,

administrative, and quality measures to be taken up and takes measures to ensure the effective functioning of the Institution. The principal and other academic heads take the responsibility

of implementing the policy decisions taken by the governing body. The principal is assisted by Deans, HODs and coordinators to administer the academic development and other functions based on the institutional guidelines.

Administrative setup of the institution is as per the organization chart shown above. Governing body will decide the policy matters of the college. The principal being the head of the institution acts as liaison between the management, staff and students. He takes all the measures to implement the policies and decisions taken by the government body. Deans and coordinators of various activities like academics, examination, R&D etc with the support of the principal and chairman take the necessary initiatives to implement the vision and mission of the institute.

HOD is responsible for the functioning of the department as per the laid down policies of the college. To provide policy framework and direction for the functioning of the institution, various committees play a vital role. These committees help the administration to evaluate, monitor and recommend in respect of various matters leading to progress of the institution as per its quality policy.

Service rules, procedures, recruitment, promotional policies have been formulated as for the guidelines of the competent authorities like affiliating University (VTU), AICTE and are approved by the governing body. These rules are disseminated to all the faculty members of the JCE at the time of joining and they can refer to the same from administrative officer.

GRIEVANCE REDRESSAL CELL

AIM: In order to ensure transparency by Technical institutions imparting technical education, in admissions and with Paramount Objective of preventing unfair practices and to provide a mechanism to innocent students for redressal of their grievances. The Statutory Committee Grievance Redressal Committee (GRC) is formed as per Clause 1 of section 23 of the AICTE Act, 1987 (52 of 1987) AICTE. The Committee has been formed in order to ensure transparency by technical institutions imparting technical education in admissions, preventing unfair practices, complaints of alleged discrimination by students of Scheduled Caste, Scheduled Tribe, OBC, Women, Minority or Disabled Categories, scholarship issues and sexual harassment and to provide a mechanism to innocent students and stakeholders for redressal of their grievances. Procedure: The person concerned with any grievance shall fill the Grievance Redressal Form with all possible facts and documentation and submit it to the Principal's office or online. The committee will investigate into the matter and shall try to resolve it as quickly as possible.

Scope

1. Formation of grievance redressal cells to handle grievances.
2. Redress students', staff and faculty grievances separately
3. Redress girl students', lady staff and faculty grievances separately.
4. A separate cell for ladies.
5. Suitable timings for students', staff and faculty.
6. Redress grievances promptly.
7. To let employees present their issues without prejudging or commenting
8. Use positive, friendly ways to resolve the crisis than punitive steps, which disturb the system.
9. Reassure them that the authorities will be acting impartially and will try to resolve the matter as amicably as possible.
10. Ensure effective, sensitive and confidential communication between all involved
11. Ensure that there is proper investigation of the facts and figures related the problem

The following staffs have been nominated for the Grievance Redressal Cell. They have been instructed to act in their respective roles and responsibilities.

JCE Belagavi is committed to providing safe academic and working environment to all students and its women employees. As per the guidelines of Supreme Court, UGC, Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013, an Internal Complaints Committee has been established by the College for a period of three years.

Objectives:

The objectives of the Internal Complaint Committee to Prevent Sexual Harassment of Women at the Workplace are as follows:

1. To develop a policy against sexual harassment of women at the Institute.
2. To evolve a permanent mechanism for the prevention and redressal of sexual harassment cases and other acts of gender-based violence at the Institute.
3. To ensure the implementation of the policy in letter and spirit through proper reporting of the complaints and their follow-up procedures.
4. To uphold the commitment of the Institute to provide an environment free of gender-based discrimination.
5. To create a secure physical and social environment to deter any act of sexual harassment.
6. To promote a social and psychological environment to raise awareness on sexual harassment in its various forms.

SC/ST COMMITTEE

Establishment of Committee for SC/ST (As per the Scheduled Castes and the Scheduled Tribes (prevention of Atrocities) act, 1989, No. 33 of 1989, dated 11.09.1989)

AIM: The Scheduled Caste (SC) and Scheduled Tribes (ST) Cell in an institute promotes the special interests of students in the reserved category. It is expected to provide special inputs in areas where the students experience difficulties.

ASSOCIATED ACTIVITIES:

The Cell may conduct regular remedial coaching classes on life skills, personality development, writing assignments and making presentations, as well as English and local language classes. The Cell also is expected to organize interactive sessions and informal meetings with students to attend to their personal, social and academic problems. Guide the SC/ST/OBC/PWD students of the Institute, to optimally utilize the benefits of the schemes offered by the State Governments, Government of India (GOI) and UGC.

The following staffs have been nominated for the SC/ST Committee. They have been instructed to act in their respective roles and responsibilities.

INTERNAL QUALITY ASSURANCE CELL

IQAC shall evolve mechanisms and procedures for

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- Ensure relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- Setup credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and functioning of the support structure and services.
- Research sharing and networking with other institutions in India and abroad.

Functions:

Some of the functions expected of the IQAC are:

- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the institution.
- Dissemination of information on the various quality parameters of higher education.
- Organization of workshops, seminars on quality related themes.
- Documentation of the various programmes/activities leading to quality improvement.
- Acting as a nodal agency of the institution for quality-related activities.
- Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.

Benefits:

IQAC will facilitate/contribute:

- To a heightened level of clarity and focus in institutional functioning towards quality enhancement and facilitate internalization of the quality culture for Quality and Excellence in Higher Education.
- Enhancement and integration among the various activities of the institution and institutionalize of many good practices.
- To provide a sound basis for decision making to improve institutional functioning.
- To act as a change agent in the institution.
- For better internal communication.

Goals & Objectives

Staff Development

- To organise a minimum of two pedagogical training programmes per year for new teaching Faculty.

- To organize at least one common skill-development programme per year for the supporting staff.

Teaching–Learning Process

- To review student performance in Midterm & End term tests for all departments within one week of completion of the tests.
- To register and complete at least two relevant MOOC/NPTEL/Swayam/Coursera Courses/one MOOC course and one FDP/industrial training (not less than 5 days) by all teaching faculty per year.

Co-Curricular Activities

- To organise one international conference every two years such that major disciplines have a conference once in 5 years.
- To conduct coaching classes for national level competitive exams like UPSC, MPSC, GRE/TOFEL, CAT, GATE etc and to ensure that at least 2 students from each department clear the exams successfully.

Research & Development

- To collaborate with leading research institutes at national and international levels. Initiatives like joint international conference, workshops and research papers can also be undertaken to improve overall research culture at Institute.
- To Improve quality of publications
- To Fetch R&D grants and revenue generation through consultancy, training and testing services etc.

Industry- Institute Interaction

- Establishment of Industry-Institute Partnership/interaction Cell.
- To Sign MoU's or enter into collaborations with a minimum total of 5 industries of each program for mutually beneficial interaction and organize at least 5 joint programmes.
- Participation of experts from industry in curriculum development.
- R&D Laboratories sponsored by industries & development of consultancy at the Institute.
- To initiate Incubation Centre

Placement

- To achieve 90% campus placement of eligible & job aspiring candidates.

Extracurricular Activities

- To Periodically carryout extra-curricular activities through NSS and Student activity clubs.
- To be within the top three ranks of VTU, Belagavi in sports and to achieve at least 3 medals at the national/international level.

The following staffs have been nominated for the Internal Quality Audit Committee. They have been instructed to act in their respective roles and responsibilities.

Equal Opportunity Facilitation Cell (EOFC)

Jain College of Engineering, Belagavi establishes the Equal Opportunity Facilitation Cell (EOFC) to promote inclusive education for all students, including Persons with Disabilities (PwDs), in line with AICTE guidelines.

Purpose and Scope

The policy promotes equal access to education, facilities, and opportunities without discrimination based on disability. It covers all UG/PG programs, infrastructure, services, extra-curriculars, and extends to faculty/staff support at Jain College of Engineering, Belagavi.

Roles and Responsibilities

The EOFC creates regular awareness on equal opportunities, addresses teaching-learning needs of PwDs, provides training/placement assistance, establishes teacher-mentor schemes from entry to exit, and develops assistive technology enabled processes. It promotes PwD admissions, monitors feedback for continuous improvement.

Cell Composition

The EOFC comprises a Senior Faculty as Chairperson, nominated by the Principal; one faculty member, one non teaching staff; one elected student representatives (PwD); a representative from an NGO focused on PwD empowerment; and the Registrar/Administrative Officer as Member Secretary.

Equal Opportunity Facilitation Cell (EOFC)

Infrastructure Facilities

Facilities include ramps (1.5m width, 1:12 slope with handrails), 1.2m spaces for wheelchair movement in classrooms/labs/toilets, lifts, antiskid floors, accessible toilets, signage, reserved parking, tactile paving for visual impairments, good acoustics and sign language provisions for hearing impairments.

Teaching-Learning Provisions

Institutions provide sign language interpreters, universal design with multimodal content (text/audiovisual/mindmaps), advance accessible notes (Word/Libre-Office), peer groups, teacher training, e-learning with subtitles, material conversion to accessible formats (large print/Braille), subscriptions to Sugamya Pustakalaya/Bookshare, digital reading devices (screen readers/Braille displays), and curriculum modifications like CAD over manual drawing.

Examination Accommodations

Provisions cover scribes (own or institute provided per DoPT guidelines), 20 minutes extra time per hour, computer use with accessible papers, and separate answer script evaluation considering disability/scribe usage.

Additional Support Systems

A Disability Support Unit offers financial aid/scholarships, counseling, career guidance, sign language training, assistive devices, health support, trainer training, awareness programs, NGO linkages, placement sensitization, internship activities, and a disability database. Dedicated Centers for Learning Diversity (for Specific Learning Disabilities) advocate accommodations, provide assistive tech, and conduct faculty training.

Implementation and Monitoring

The college allocates a separate budget for inclusion activities, publishes barrier free environment details (admissions/support/status) on its website, and monitors via periodic PwD feedback. EOFC reports annually to the Principal and complies with UGC Accessibility Guidelines.

Jain College of Engineering, Belagavi commits to an inclusive environment for all students, faculty, and staff through its Equal Opportunity Facilitation Cell (EOFC) policy. This ensures persons with disabilities (PwDs) and special needs receive necessary accommodations for full participation in academic and campus life, aligning with AICTE guidelines (dated 05.08.2022) and UGC standards.

Policy Statements

- **Non Discrimination:** No discrimination on disability grounds; equal access to education/employment.
- **Infrastructure: Ramps** (1.5m width, 1:12 slope), lifts, tactile paths, accessible restrooms/parking, antiskid floors.
- **Academic Accommodations:** Extended exam time, scribes, accessible materials, adaptive tech, note taking aid.
- **Support Services:** Counseling, tutoring, mentoring, personal attendants, peer groups.
- **Sensitization:** Faculty/staff/student training on PwD rights/needs.
- **Grievance Redressal:** Dedicated mechanism for timely resolution of accessibility/discrimination issues.

Implementation and Monitoring

The Principal oversees implementation, with EOFC ensuring compliance via a dedicated committee. Annual reviews incorporate PwD feedback; separate budget allocated for inclusion; barrier free details published on college website. Collaborations with NGOs/government enhance resources.

PRINCIPAL PAPER PRESENTATION

Programme	Duration(InWeeks)	Organizedby	Level
Experimental and CFD Analysis of Carburetor or Producer Gas Application	XXI National Conference on I.C. Engines and Combustion,	Bapuji Institute of Engg. & Technology	National
“Experimental and CFD Analysis of Carburetor or Producer Gas Application	XXI National Conference on I.C. Engines and Combustion	Bapuji Institute of Engg. & Technology, Davanagere	National
Modelling of Smart Laminated Composite Shell Using Finite Element Method	ISTE National Conference,	Jaipur Engineering College	National
Performance Analysis of Smart Laminated Composite Cylindrical Shell with ACLDT Treatment using AFC Material	National Conference on Emerging Trends in Engineering Sciences and Management	SIET, Tumakuru	National
Multiple-Multi Squeeze Film Damper-A Candidate for obtaining enhanced damping characteristics in gas turbine	3rd Asia Pacific Conference on Aerospace Technologies, Kunming, China.	Asia Pacific Conference on Aerospace Technologies, Kunming, China.	International
Wear Behaviour of Different mating Parts	Annual meeting of American Society of Precision Engineering (ASPE), Arizona, USA,	American Society of Precision Engineering (ASPE), Arizona, USA,	International
Precision Burner for Flame Hardening of Lathes Beds	4th ICME 2001	Bangladesh University of Engineering and Technology, Dhaka	International
Evaluation of occupant head injury during automotive interior head impact using finite element approach	National conference on advanced design and manufacture	NCADM 2011.	National
Finite Element Modelling of Smart Laminated Composite Plate	ISTE National Conference	Jaipur Engineering College	National
Characteristic Evaluation of Mechanical properties of Plasma Sprayed Ceramic coating	5th ICME 2003,	Bangladesh University of Engineering and Technology, Dhaka	International
Nonlinear Static Analysis of Smart Laminated Composite Plates	50th Congress of ISTAM-2005 (An International Meet)	IIT Kharagpur	International
“Finite Element Analysis of Smart Composite Plates Undergoing Nonlinear Deformations”,	51st Congress of ISTAM-2006 (An International Meet)	Andhra University, Visakhapatnam, Dec.18-21, 2006	International
Analysis of Composite Plates Integrated with Piezoelectric Fiber Reinforced Composite Actuator for Nonlinear Deformation Control Using FIR	51st Congress of ISTAM-2006 (An International Meet)	Andhra University, Visakhapatnam, Dec.18-21, 2006	International
Nonlinear Dynamic Analysis of Smart Laminated Composite Plates	Fourth International Conference on Theoretical, Applied, Computational and Experimental Mechanics (ICTACEM-2007)	IIT Kharagpur	International
Geometrically Nonlinear Analysis of Composite Structures with Integrated Piezo Fiber Reinforced Composite Actuator	Analysis of Composite Structures with Integrated Piezo Fiber Reinforced Composite Actuator”, 2nd International Congress on Computational	IIT Guwahati	International
Nonlinear Vibration Control Simulation of Smart Laminated Composite Plates	52nd Congress of ISTAM-2007 (An International Meet) BNMIT, Bangalore	BNMIT, Bangalore	International
“Nonlinear Dynamic Analysis of Smart Laminated Composite Cylindrical Shallow Shell	52nd Congress of ISTAM-2007 (An International Meet) BNMIT, Bangalore,	BNMIT, Bangalore,	International
“Design and Analysis of High Frequency Milling Spindle”, 53rd Congress of ISTAM-2007	53rd Congress of ISTAM-2007 (An International Meet), Osmania University, Hyderabad	Osmania University, Hyderabad	International
Parametric optimization of Electro Chemical Spark Machining using Taguchi based Grey Relation	International Conference on Emerging Trends in Engineering	International Conference on Emerging	International

2. Admission Procedure, Criteria and Weightages for Admission

Mode of admission: Admissions to all the programmes generally begin in April every year. Admissions are done through three modes 1. Through CET exam conducted by Karnataka Examinations Authority,

2. Through COMEDK exam conducted by Consortium of Medical, Engineering and Dental Colleges of Karnataka" (COMEDK) and 3. Through Direct Admissions under Management quota.

Admission notification along with important dates will be uploaded on respective official websites. Candidates need to meet the respective eligibility criteria to apply for any of the programmes.

Admission test being followed with name and address of the Test Agency/State Admission are as follows

B.E.	1) 45% of total intake is admitted through CET exam conducted by Karnataka Examinations Authority, Sampige Road, 18th Cross, Malleshwaram, Bangalore - 560012. Phone No: 080 - 23460460 Website: http://kea.kar.nic.in E Mail: keauthority-ka@nic.in
	2) 30 % of total intake is admitted through COMEDK exam conducted by Consortium of Medical, Engineering and Dental Colleges of Karnataka" # 132, Second Floor, 11th Main, 17th Cross, Malleshwaram, Bangalore-560 055 Phone No: 080 - 7259466698 Website: http://comedk.org E Mail: studenthelpdesk@comedk.org

Admission Eligibility for UG and PG is given below

<u>Admission Eligibility for BE regular:</u>	Passed with minimum 45% in 2 nd PUC / 12 th Standard examination with English as one of the Languages, Physics and Mathematics as compulsory subjects along with Chemistry / Bio Technology / Biology / Electronics / Computer Science. Passed with minimum 40% in case of SC/ST/OBC candidates of Karnataka Students
<u>Admission Eligibility for Architecture</u>	Passed in 2 nd PUC / 12 th Standard / 10+2 scheme of examination with Physics, Chemistry and Mathematics subjects or passed 10+3 Diploma Examination with Mathematics as compulsory subject. The norms prescribed in NATA Admission Rules, relevant Government orders are also applicable.
<u>Admission Eligibility for BE (Lateral)</u>	Passed 10+3 Diploma course wise with Mathematics as Compulsory subject.
<u>Admission Eligibility for M. Tech</u>	Valid GATE score or passed qualifying examination or equivalent examination as prescribed by the Competent Authority and obtained an aggregate minimum of 50% marks taken together in all the subjects of all the years / semesters. (45% of marks in Q. E. in case of SC, ST and Category-I of Karnataka candidates).
<u>Admission Eligibility for M. B.A.</u>	Passed recognized Bachelor's Degree of minimum of 3 years duration examination or equivalent examination and obtained an aggregate minimum of 50% marks taken together in all the subjects including languages in all the years of the Degree Examination. (45% of marks in Q.E. in case of SC. ST and Category I of Karnataka candidates)
<u>Admission Eligibility for M. C. A</u>	Passed recognized BCA / Bachelor Degree in Computer Science Engineering or equivalent Degree or Passed B.Sc./ B. Com / B.A. with Mathematics at 10+2 level or at Graduation level (with additional bridge courses as per the norms of the University) and obtained an aggregate

Calendar of admission for Management seats

Sl. No.	Particulars	Date
1.	Date of Admission notification	11.04.2024
3.	Last date of submission of applications	15.06.2024
4.	Dates for announcing final results	28.07.2024
5.	Release of admission list	28.07.2024
6.	Date for acceptance by the candidate	01.08.2024
7.	Last date for closing of admission	15.08.2024
8.	Starting of the Academic session	16.08.2024
9.	The policy of refund of the Fee, in case of withdrawal, shall be clearly notified	As per AICTE rule 8.13 mentioned in Approval Process Handbook 2020-21

3. Criteria and weightages of Admission

The admission to UG and PG programmes are done as per the Government of Karnataka norms.

4. List of Applicants:

5. Results of Admission under Management seats / Vacant Seats

Admission under management quota is carried out on the first come first allotment bases. Candidates with minimum eligibility as per Government of Karnataka regulations are entertained to take admission. We will close the admission once seats are full. If any seat gets vacated later, it will be filled by the candidates who approached them after within the last date of admission.

Library&Reading Room	A201	598	A	1
Computer Center	A308A	152.62	A	1
Language Laboratory	A308B	33.49	A	1
Computer Center	B205	216	B	2

Central Examination Facility

JCE has a dedicated Central Examination Coordination Room for the secure distribution and collection of answer scripts. The institution also maintains a secure Strong Room for the Online Question Paper Distribution System (QPDS), ensuring confidentiality and strict compliance with examination regulations.

The QPDS Strong Room, Central Examination Coordination Room, and all examination halls are under continuous CCTV surveillance to ensure transparency, security, and adherence to examination norms. A centralized siren/bell system is installed to indicate the commencement and conclusion of examinations in a uniform manner.

The entire examination facility is supported by uninterrupted power backup, ensuring smooth conduct of examinations and secure operation of the Online Question Paper Distribution System without disruption.

Examination Halls and Seating Capacity

The institution has **30 examination halls** to conduct Semester End Examinations (SEE). Each hall is equipped with a **minimum of 34 benches**, with **only one student seated per bench** to ensure adequate spacing and prevent malpractice. For examinations of the same subject, students are seated in **alternate benches** to maintain proper distancing and uphold examination integrity.

Sl. No	Room No.	Capacity	Sl. No	Room No.	Capacity

xv. **INNOVATION, INCUBATION AND IPR CELL**

Innovation, Incubation, and IPR Cell of JCE is a dedicated unit that fosters innovation, entrepreneurship, and intellectual property rights (IPR) within an institution. The cell's objectives include:

- Innovation: Encouraging and supporting innovative ideas, projects, and research.
- Incubation: Providing resources, mentorship, and infrastructure to startups and entrepreneurs.
- IPR: Promoting awareness, protection, and commercialization of intellectual property rights.

The cell aims to create a vibrant ecosystem that nurtures creativity, entrepreneurship, and innovation, ultimately contributing to societal and economic growth.

The following staffs have been nominated for this Cell. They have been instructed to act in their respective roles and responsibilities.

SI No	Name	Designation	Profession	Phone No
1	Dr. J. Shivakumar	President	Principal and Director	8085789651
2	Mr. Santosh Katwate	Vice President	Entrepreneur	8861597241

xix. Games and Sports Facilities

Games & Sports

AIM AND OBJECTIVES

1. To encourage students to promote the active participation by healthy activities.
2. To provide an environment for physical development of the students.
3. To provide opportunity to the students to showcase their talent in sports field.
4. To develop discipline among the students.

SPORTS FACILITIES

S.NO	SPORTS GROUND	DIMENSION IN FEET
1	CRICKET NET	35 X 15

3. Jain college of Engineering won the Belagavi Zone VTU Table Tennis Tournament for the year 2013 organised by BVB College of Engineering Hubli.
4. Swimmers Pranav Thakur won Bronze Medal in 200 meters medley and NidhiKhot won Bronze medal in 100 meters Breaststroke at the VTU Intercollegiate Competition organized by Reva Institute of Technology for the year 2013.
5. Four Boxers Rakesh Desai in 55 kg , Zain Ternikar in 81kg, SunilkumarHarobidi in 48 kg and RohitVannur in 91 kg had been selected for the VTU Team for the year 2013.
6. Mahesh Kotalagi had been selected for the VTU Netball team for the year 2014.
7. Praveen Navagekarhas been selected for the VTU Football team for the year 2014.
8. Jain college of Engineering were the runners up at the Belagavi Zone VTU Hockey Tournament for the year 2014 organised by Gogte Institute of Technology Belagavi.
9. Swimmer NidhiKhot won Silver medal in 100 and 200 meters and bronze medal in 50 meters Breaststroke at the VTU inter – collegiate championship 2014 organised by M. S. Ramaiah Institute of Technology Bangalore.
10. Jain college of Engineering were the Runners –up at the Belagavi Zone VTU Table Tennis Tournament for the year 2014 organised by S.G.Balekundri Institute of Technology Belagavi.
11. AbhijeetUchukar won the Gold medal in the 66 kg Category Wrestling Championship organized by VDRIT Haliyal and also selected to represent VTU Team.
12. AkshayMannur had been selected for the VTU Netball team for the year 2015.
13. Six Boxers Zain Ternikar in 91 kg, VikasOja in 60kg, SunilkumarHarobidi in 49 kg , RohitVannur in 75 kg, Ms. EmeethiMohite in 56kg, & Ms. AkshataPatil in 60 kg have been selected for the VTU Boxing Men & Women team respectively for the year 2015.
14. Jain college of Engineering won the Belagavi Zone VTU Badminton Tournament for the year 2016 organized by Jain college of Engineering Belagavi.
15. VinayakSalunke won gold medal in power lifting in 105 kg category for the year 2016 organized by Global Academy of Technology.
16. VinayakTigadoli won Bronze medal in Weight lifting in 69 kg category for the year 2016 organized by Global Academy of Technology.
17. Mas. RupeshChavan won the Gold Medal in the Best Physique 60kg category at the Single Zone VTU Best Physique competition organized by Global Academy of Technology for the year 2018.

18. Men's Team Participated in the Hand Ball Tournament held at KLSGIT Belagavi on 2nd& 3rd April 2019 and won the Belagavi Zone Championship and Participated in the Inter Zone Handball Tournament held at Nagarjuna College of Engineering and Technology Bengaluru on 8th& 9th April 2019.
19. Mas. RupeshChavan won the Gold Medal in the Best Physique 65kg category at the Single Zone VTU Best Physique competition organized by Sairam College of Engineering Bangalore for the year 2019
20. Mas. RupeshChavan (Best Physique), Mas. PranamPatil (Boxing) , and Mas. ShubhamPatil (Shooting) were selected to represent VTU University for the year 2019
21. Men's Team Participated in the Swimming Competition held at JyothyIT Bengaluru on 15th& 16th December 2021. Aditya Bagai won silver medal in 200 butterfly at VTU Single Zone Swimming competition. Subhodh S Sulebhavi has secured 2 Bronze medals in 400 mts free style and 400 mts IM.
22. Men's team won the Belagavi Zone championship in the Handball Tournament held at VDIT Haliyal on 22nd& 23rd June 2022 and further participated in the Inter Zone Tournament held at MIT Mysuru on 25th& 26th June 2022.

Mas. RupeshChavan won the Gold Medal in the Best Physique 65kg category at the Single Zone VTU Best Physique competition organized by Sairam College of Engineering Bangalore for the year 2019.

REPORT :-

1. Mas. RupeshChavan won the Gold Medal in the Best Physique 60kg category at the Single Zone VTU Best Physique competition organized by Global Academy of Technology for the year 2018.
2. Men's Team Participated in the Hand Ball Tournament held at KLSGIT Belagavi on 2nd& 3rd April 2019 and won the Belagavi Zone Championship and Participated in the Inter Zone Handball Tournament held at Nagarjuna College of Engineering and Technology Bengaluru on 8th& 9th April 2019.
3. Mas. RupeshChavan won the Gold Medal in the Best Physique 65kg category at the Single Zone VTU Best Physique competition organized by Sairam College of Engineering Bangalore for the year 2019
4. Mas. RupeshChavan (Best Physique), Mas. PranamPatil (Boxing) , and Mas. ShubhamPatil (Shooting) were selected to represent VTU University for the year 2019
5. Men's Team Participated in the Swimming Competition held at JyothyIT Bengaluru on 15th& 16th December 2021. Aditya Bagai won silver medal in 200

xx. Teaching Learning Process

Teaching-Learning Pedagogy at Jain College of Engineering, Belagavi:

1. The Core Philosophy: Outcome-Based Education (OBE)

Centered on Outcome-Based Education (OBE), JCE's pedagogical framework shifts the educational focus from faculty instruction to measurable student learning and demonstration of skills. In alignment with Visvesvaraya Technological University (VTU) standards, the curriculum is strategically delivered to prioritize the achievement of both Program Outcomes (POs) and Course Outcomes (COs).

- **Continuous Internal Evaluation (CIE):** Learning is not just a semester-end event. Regular internal assessments, lab evaluations, and assignments ensure that students stay engaged throughout the semester.
- **Bloom's Taxonomy Application:** Question papers and assignments are designed to move students from basic "remembering" to higher-order "analyzing" and "creating," particularly in engineering design.

2. The Synergy of "Chalk and Board" at JCE

The Cognitive Power of "Real-Time" Derivations

At JCE, the blackboard is treated as a dynamic canvas for logical progression. Unlike pre-prepared digital slides, the Chalk and Board method matches the natural pace of student note-taking and mental processing.

- Step-by-Step Logic: When a faculty member derives complex equations, students follow the biological "hand-to-eye" synchronization. This helps them internalize the *process* of problem-solving, not just the result.

Tactile Engagement and Classroom Focus

The rhythmic sound of chalk and the physical movement of the teacher create a focal point that digital screens sometimes lack.

- Spontaneous Ideation: The board allows for "Lateral Thinking." If a student asks a "What if?" question during a lecture, the faculty can instantly pivot, clearing a corner of the board to sketch a new scenario or a counter-example.
- Student Participation: JCE pedagogy frequently involves "Board Work" by students. Inviting a student to solve a numerical problem on the board transforms them from a passive listener into an active participant, building confidence and peer-learning.

3. The "Hybrid Board" Ecosystem

Smart Classrooms and Interactive Infrastructure

JCE has started the transition from traditional "Chalk and Talk" to a **Blended Learning** model, centered around the deployment of **Smart Touch Screen Panels** (Interactive Flat Panels). The institution practices a "Hybrid Pedagogy" where the traditional board and modern tech coexist: This infrastructure acts as the "command center" of the modern classroom:

- **The Foundation:** The "Chalk and Board" session establishes the fundamental theory and mathematical rigor.
- **Digital Archiving:** In many advanced classrooms at JCE, faculty use the Smart Panel's "Whiteboard Mode" which mimics the feel of chalk but allows the entire "board" to be saved and shared digitally, ensuring no student misses a crucial derivation.
- **Dynamic Presentations:** Faculty members utilize 4K UHD Smart Panels to move beyond static PowerPoint slides. These panels allow for real-time annotation over any digital content—whether it's a YouTube video on thermodynamics or a live Python code snippet.
- **Infinite Digital Whiteboards:** Unlike traditional boards, the digital whiteboards on these panels are infinite. Faculty can save entire lecture notes, including complex diagrams and derivations, and instantly share them as PDFs via Google Classroom or QR codes.

4. Digital Transformation and AI Integration

The **Faculty Conclave 2026** underscored the institution's commitment to "Future Tech" in education.

- **Interactive HTML Simulations:** Moving beyond static PDFs, the use of interactive custom-built HTML simulations allows students to manipulate variables in a virtual environment.

- **AI-Enhanced Teaching:** The integration of AI tools for administrative efficiency and personalized learning has become a hallmark of JCE's modern pedagogy. This includes using AI to analyse student performance data, and even assist in creating dynamic course content.
- **Google Classroom:** Every course utilizes Google Classroom as a centralized dashboard for eBooks, video lectures, and online assessments, fostering a paperless and accessible learning ecosystem.

5. Experiential and Project-Based Learning (PBL)

The pedagogy at JCE emphasizes that engineering is a "doing" discipline.

- **Industry-Linked Internships:** Students across branches (CSE, Civil, Mechanical, EEE, ECE) are encouraged to take up "problem-solving" internships where they observe real-world operational challenges and bring those challenges back to the classroom for analysis.
- **The "Avinya" Project Exhibition:** This annual flagship event serves as the "Grand Finale" for PBL. It challenges students to pitch their innovations to industry experts, emphasizing not just the technical build but the market viability and social impact.

Impact on Student Development

The result of this robust pedagogy is the holistic development of the student. By combining technical knowledge with digital fluency and "soft" skills like ethical decision-making, JCE graduates are prepared for global industry demands.

"Our pedagogy is a fusion of human mentorship and cutting-edge technology, ensuring that the classroom remains a space of active discovery rather than passive reception."
