

Quicklrn Soft skill

Targeted students: 4th and 6th semester

1. Introduction

The **Quick Learn App** is a digital learning platform designed to enhance **soft skills** through short, interactive, and easy-to-understand modules. In today's competitive world, technical knowledge alone is not sufficient; soft skills such as communication, teamwork, and leadership are essential for personal and professional success.

2. Objective of the Course

The main objectives of the Quick Learn App soft skill course are:

- To improve communication and interpersonal skills
- To develop confidence and personality
- To enhance problem-solving and decision-making abilities
- To prepare students for interviews and workplace environments

3. About Soft Skills

Soft skills refer to **non-technical abilities** that influence how individuals interact and work with others. These include:

- Communication skills
- Leadership qualities
- Time management
- Teamwork
- Emotional intelligence

4. Features of Quick Learn App

The Quick Learn App provides the following features for soft skill development:
