8. Event description/Summary :

The event was conducted on 17-02-2022 at 11:00 am in the Jain College of Engineering, Belagavi. The topic of the event was "Entrepreneurship skill, attitude and behavioral development". To lack skills is not acceptable to become an Entrepreneur, it is of utmost importance to have required skills and to simultaneously hone them to the required level as an entrepreneur faces a lot of situations in his day to day life where he has to use various skills to solve different problems encountered. An entrepreneur has to face rewards and rejection in the business and to deal with all those he has to have a right attitude and behaviour, which our students have learnt in this workshop.
