6. No of Faculty Participants: 10

7. Registration: Attached

8. Event description/Summary:

In November 2016, All India Council of Technical Education (AICTE) released a Startup Policy document for AICTE approved institutions, to address the need of inculcation of innovation and entrepreneurial culture in higher education institutions (HEIs). The policy primarily focused on guiding the AICTE approved institutions in implementing 'Startup Action Plan' of Government of India.

The 'National Student and Faculty Startup policy 2019' is a guiding framework to envision an educational system oriented towards startups and entrepreneurship opportunities for student and faculties. The guidelines provide ways to Indian HEIs for developing entrepreneurial agenda, managing Intellectual Property Rights (IPR) ownership, technology licensing and equity sharing in Startups or enterprises established by faculty and students.

In the orientation session following points are discussed in detail

National Innovation and Startup Policy 2019 for Students and Faculty

- ✓ Strategies and Governance
- ✓ Startups Enabling Institutional Infrastructure
- ✓ Nurturing Innovations and Start ups
- ✓ Product Ownership Rights for Technologies Developed at Institute
- ✓ Organizational Capacity, Human Resources and Incentives
- ✓ Creating Innovation Pipeline and Pathways for Entrepreneurs at Institute Level
- ✓ Norms for Faculty Startups

- ✓ Pedagogy and Learning Interventions for Entrepreneurship Development
- ✓ Collaboration, Co-creation, Business Relationships and Knowledge Exchange
- ✓ Entrepreneurial Impact Assessment

9. Photos of each session or event

Students and faculty attending the orientation session on NISP

10. Outcome/s of the event:

- Students and faculty understood the need of innovation and entrepreneurship and their active involvement in implementation of National Innovation and Startup Policy (NISP).
