Message from Principal

The current issue of JCE BGM - Reflections will take readers through the information of activities and outstanding achievements of our students, faculty and staff members of the session January 2023 to March 2023.

The New Year 2023 started with successful visit of National Board of Accreditation (NBA) expert team to accreditate Civil and Electrical & Electronics department. Our quest for imparting quality education and the concerted effort of JCE'ans was appreciated by the NBA expert team and has awarded Accreditation status till 2026. The successful conduction of International Conference on Banking, Finance & Business (IF-BFB-2023) is another feather in cap. VTU sponsored 5 day Faculty Development Program on "Ability Enhancement Courses in Civil Engineering" for faculty members of VTU affiliated colleges, hosting of regional level of Handball competition for VTU affiliated colleges of Belagavi region are some of the prominent activities conducted in the campus during this period.

Various events were organized, MoU's were signed with prominent organizations, and facilitated the interaction of students and staff with experts from industry and academia on a regular basis. The continued excellence of our students in the academics is again reflected in achieving good grades in the VTU examinations of session 2022-23. We congratulate all the faculty, staff and students who have contributed for the successful publication of this issue of newsletter.

Dr. J. Shivakumar
Principal & Director

Editor's Speak

Happy New Year 2023. From Jan 2023 to March 2023 we had organized lots of student centric activities. This has been the Second year since the Newsletter has been running successfully. We had an overwhelming response from our readers over this period of time, and have we accumulated numerous articles/write up on activities at the Department and College level that make it interesting to read. Kannada Sambrama celebration on 30th March 2023

Alumni Speaks

I have been through lots of Schools and colleges throughout my journey of Studies but The Staff and Campus, I found it to be the best in Jain college of engineering.

- Subhod U Hundekar, Founder,
Akruiti Constructions and Interio,
India.

So many memories. From Samosas to Turbo Machines. From Goa trips to Mechanical Vibrations. BTD and ATD were the real things then. I feared those subjects more than anyone or anything. I would like to convey the upcoming engineers , real thing is outside those compounds . Do not learn the formulae, understand what are its applications. Think practical .

- Rohan Naik, Mechanical Design Engineer,
Cjient Ltd, Singapore.

Anti-Ragging Committee is established in the Campus & JCE is a part of National Ragging prevention project. All the students are made to fill the E-Affidavit form. Dr. J Shivakumar is the Chairman and Prof. Praveen Chitti is the convener of the Committee.
