The current issue of JCE BGM – Reflections presents a comprehensive account of the academic, co-curricular, and institutional milestones achieved during the period January to March 2026. It highlights the sustained efforts and notable accomplishments of our students, faculty, and staff.

During this quarter, the institution organized a range of events including academic interactions, expert lectures, and felicitation programs, fostering meaningful engagement with industry and academia. A significant achievement is the sanction of project grants for seven project teams by the Karnataka State Council for Science and Technology (KSCST), Bengaluru, reflecting the institution's growing research orientation and innovation ecosystem.

Our students have demonstrated commendable academic performance in the Semester End Examinations (SEE) conducted by VTU. Departments have actively facilitated industrial visits and invited lectures, which have been well received and have contributed to experiential learning and industry readiness.

The institution also had the privilege of hosting a delegation from Japanese company KIMURA, who engaged in productive interactions with faculty members from the Mechanical Engineering department, strengthening international academic-industry collaboration.

Continuing its tradition of holistic development, JCE successfully organized Kannada Sambhrama & ODYSSEY 2026, its flagship techno-cultural festival, from 26th to 28th March 2026, witnessing enthusiastic participation from students across various institutions.

The institution places on record its appreciation and congratulations to all faculty, staff, and students whose dedication and contributions have made these achievements possible. Such collective efforts continue to reinforce the institution's commitment to excellence and its distinguished legacy.

Dr. J. Shivakumar
Principal & Director

Editor's Speak

Welcome to the January–March 2026 issue of JCE BGM Reflections. This quarter was defined by convergence—where technical rigor met creative expression, and classroom learning expanded into real-world impact. The year began with online parents and alumni meets on Republic Day, strengthening our stakeholder ecosystem. Our departments drove hands-on skill development, from Civil Engineering's advanced surveying MoU to CSE(AI&ML)'s workshop on Data Center Management and EEE's industrial visits to 220kV substations. Beyond academics, JCE celebrated National Science Day with poster competitions and the launch of a Virtual Lab for first-year students. Our students excelled nationally—Ms. Jaswanti Jadhav won first prize in solo dance at VTU's Yukti 2026, while Balakka Patil set a new javelin meet record at the VTU Athletic Meet. This edition includes the grand inauguration of our Kannada Sambhrama and National-level techno-cultural fest, Odyssey 2026 scheduled on 26th to 28th March, alongside impactful technical workshops on AWS Cloud, Data Center Management, and ESG awareness. Our students continued to shine—from winning the National Level Technical Paper Presentation at NAVAPRAVARTYA 2K26 to securing a bronze in State Gymnastics and a gold medal in the VTU Athletic Meet. We extend our gratitude to every student, faculty member, and staff contributor who made this quarter unforgettable.

Dr. S. Rohitraj
Professor, HOD - MBA

The January–March period was not merely about events and examinations—it was about transformation, leadership, and shared growth. From the energy of Odyssey 2026, our national-level techno-cultural fest inaugurated by DCP Shri Narayan Baramani, to the quiet determination of students completing internships at DRDO and ISRO—every story in this issue reflects a community that learns, builds, and rises together. Our Civil Engineering students constructed bridges in Nirman, our CSE(AI&ML) students cracked puzzles in Escape Room, and our MBA students stepped from College to Corporate with guidance from industry leaders. We also celebrated compassion—PG students and faculty visiting Shantai Vrudhashram on Inauguration Day reminded us that engineering is not just about technology, but about humanity.

2. Dr. Nityanand S Kudachimath, Associate Professor, has completed the “NEP 2020 Orientation and Sensitization Programme” under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) organized by UGC-Malaviya Mission Teacher Training Centre, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur from 1st February to 15/02/2026.
3. Dr. Sanjeev Sangami was Chair person for technical Sessions at the International Conference on Technological Interventions for Climate Change Adaptation and Sustainable Environment” (ICTICS – 2026) scheduled on 13th and 14th of January 2026, in AITM, Belagavi Organized in collaboration with VTU and the Russian Academy of Sciences, Russia.
4. Prof. Vinayak Ratan attended online webinar on Ansys Multiphysics Solution with Overview of AM Technologies conducted by ARK Solutions on 22/01/2026.
5. Dr. Basavaraj Hubballi successfully completed 10-Day Sales and Marketing for Innovators course organized by Turnip Innovations from 13/01/2026 to 22/01/2026.
6. Dr. Manjula V. Kalyanshetti, Department of Mathematics, successfully completed 5 Day Workshop on “Online International Workshop on the Transformative Role of Artificial Intelligence in Mathematics: Enhancing Problem Solving, Teaching and Research” organised by the Department of Mathematics under the aegis of Department Of Basic Sciences, Cambridge Institute of Technology, Bengaluru from 01st to 05th December 2025
7. Prof. Pooja M. Jarli, Department of Mathematics secured first Prize and Prof. Varsha Gokak, Civil Engineering Department secured second prize in Faculty Conclave-2026 (Innovative Teaching Strategies) in association with ISTE Faculty Chapter on 05th-06th January 2026 organised by Jain College of Engineering, Belagavi.
8. Prof. Pooja M. Jarli, Department of Mathematics participated in the 5 day Faculty Development Programme (FDP) on “Mathematics for AI & ML: Theory, Algorithms & Responsible Practice” an Official pre Summit Event of the India -AI Impact organised by Department of CSE (AI & ML), CSE and Civil Engineering, RNS Institute of Technology, Bengaluru held during 27th – 31st January 2026 at in online mode
9. Dr. Hanamanta Badiger, Assistant Professor in the Department of Physics, has published a research paper titled “Preparation and Investigation of Magnetic and Thermal Properties of Ni_{0.5}Cu_{0.5-x}Y_xFe₂O₄ (X= 0.0, 0.1 & 0.2) Nano Ferrite for Magneto-thermal Applications.” The study was featured in Synthetic Metals (Q1-ranked journal) with an impact factor of 4.6.
10. Prof. Shivanand Hugar completed 5 days International Faculty Development Program on “Impact and Influence of AI in the Age of Generative and Agentic AI” organized by the Sister Nivedita University held from 02/02/2026 to 06/02/2026
11. Prof. Shahak Patil, Prof. Shashank U. Vanakudari, Prof. Darshan N. completed the EBSCO learning courses.
12. Dr. Sachinkumar, Professor and HOD Department of CSE (AI&ML), Published paper on Springer Indexed Nature, Adaptive Occlusion-Aware Visual Geometry Group-16 Architecture for Facial Emotion Recognition hosted by Nanyang Technological University Singapore.
13. Prof. Pooja S Pradhan, Assistant Professor department of CSE (AI&ML), presented paper AI-Powered Ayurvedic and Homeopathic Doctor for blind users, in International conference of JCE, Belagavi.
14. Dr. Sachinkumar, Professor and HOD Department of CSE (AI&ML) Published a patent on System and Method for Text Pattern Recognition and Information Retrieval. Application No. 202641028557 A. The Patent Office Journal No. 12/2026 Dated 20/3/2026.
15. Prof. Varsha Gokak & prof. Siddharth Patil coordinated the one week Faculty development program on “Empowering Faculty for Start-up & Entrepreneurial Ecosystem”.
16. Dr. Sanjeev Sangami, Dean – Innovation, Entrepreneurship & Consultancy, was one of the key speakers and extended constant support in organizing the FDP. Dr. Mithun B.M., Head of the Department of Civil Engineering, played a vital role through his encouragement and guidance, without which the program would not have been possible.
17. “A Simulation-Assisted, Emotion-Sensitive Pedagogical Model for Teaching Strength of Materials to Weak Learners.” Conducted by Jain college of Engineering in January 2026.
18. Prof. Varsha Gokak, Prof. Naresh Patil, Prof. Darshan N and Prof. Siddharth Patil were the coordinators for “Samranchana” - an Innovation & Design Thinking Project Exhibition on 20th January 2026.
19. Prof. Varsha Gokak was appointed for the second time as Editor for the Book Series “Advances in Structural Engineering: Design, Analysis and Innovative Solutions”, published with ISBN under IIP International Publishers, USA & India.
20. Dr. Sanjeev Sangami and Dr. Mithun B. M conducted an expert site inspection visit at Olam Sugars, Belagavi, strengthening industry-academia collaboration through insights into efficient and sustainable water conveyance systems on 17/02/2026.
21. Dr. Sanjeev Sangami and Prof. Shashank U. V. (ATAL FDP Coordinator), Department of Civil Engineering, received a Certificate of Appreciation from AICTE-ATAL Academy for successfully organizing the ATAL FDP. The achievement reflects their dedicated leadership, effective coordination, and the collective support of the institution. This recognition highlights the commitment towards academic excellence and continuous professional development.

ಜಿಲ್ಲಾಧಿಕಾರಿ ಮೊಹಮ್ಮದ್ ರೋಷನ್ ಅಭಿಮತ ಸಂವಹನ, ಸೌಹಾರ್ದತೆಯ ಪ್ರಮುಖ ಸಾಧನ ಭಾಷೆ

■ **ವಿಕ ಸುದ್ದಿಲೋಕ ಬೆಳಗಾವಿ**
 ಕನ್ನಡ ಭಾಷೆಯು ಕೇವಲ ಒಂದು ಭಾಷೆಯಲ್ಲ, ಅದು ಸಂವಹನ ಮತ್ತು ಸಾಮಾಜಿಕ ಸೌಹಾರ್ದತೆ ಬೆಸೆಯುವ ಪ್ರಮುಖ ಸಾಧನವಾಗಿದೆ. ರಾಜ್ಯದ ತ್ರಿಮಂತ ಸಂಸ್ಕೃತಿ ಮತ್ತು ಪರಂಪರೆಯ ಬಗ್ಗೆ ನಮಗೆ ಹೆಚ್ಚು ಇರಬೇಕು. ಕರ್ನಾಟಕದಲ್ಲಿ ನೆಲೆಸಿರುವ ಪ್ರತಿಯೊಬ್ಬರೂ ಕನ್ನಡ ಕಲಿಯಲೇಬೇಕು ಎಂದು ಜಿಲ್ಲಾಧಿಕಾರಿ ಮೊಹಮ್ಮದ್ ರೋಷನ್ ಕರೆ ನೀಡಿದರು.
 ನಗರದ ಜೈನ್ ಕಾಲೇಜ್ ಆಫ್ ಎಂಜಿನಿಯರಿಂಗ್ ಆವರಣದಲ್ಲಿ ಇತ್ತೀಚೆಗೆ ಕಾಲೇಜಿನ ಕನ್ನಡ ಬಳಗದ ವತಿಯಿಂದ ಆಯೋಜಿಸಲಾಗಿದ್ದ 'ಕನ್ನಡ

Mock CET on March 25

BELAGAVI, DHNS

Jain College of Engineering (JCE), Mache campus, to empower pre-university students for the Common Entrance Test (CET), is conducting mock CET-2026 on March 25.

The mock test has been organised for second-year PUC Science students to assess their academic preparedness and build confidence ahead of the KCET exams, scheduled for April 23 and 24. The mock test will be held at the College's state-of-the-art facility at Mache on Wednesday at 10.30 am. The mock test aims to provide students with a genuine examination hall experience, helping them familiarise themselves with the test pattern and time management under real-world conditions.

Principal and Director J Shivakumar emphasised the importance of such preparatory exercises and advised students to turn up in large numbers to leverage the opportunity.

For further details, students may contact the faculty coordinators Prof Raghunandan Oza on cell No 96209-12034 or Dr Ravi C B on cell No 63669-19475.

Kannada Sambrama celebrated at JCE Belagavi

EXPRESS NEWS SERVICE @Belagavi

'KANNADA Sambrama-2026' was celebrated with great enthusiasm on Friday at Jain College of Engineering (JCE), Belagavi, organised by the Kannada Balaga.

The event was inaugurated by Mohammad Roshan, Deputy Commissioner of Belagavi, who graced the occasion as the special invitee. The programme commenced with the auspicious Bhuvaneshwari Pooja, invoking divine blessings, followed by a vibrant procession featuring the traditional Dollu Kunitha, showcasing the rich cultural heritage of Karnataka.

Addressing the gathering, Mohammad Roshan emphasized the importance of learning Kannada in Karnataka, highlighting his deep affection for the language. He stated that Kannada plays a vital role in effective communication and social harmony. He further shared that in Belagavi, nearly 99.9% of issues are resolved through trust, mutual respect, and understanding, appreciating the efforts of the district administration in maintaining harmony. He also applauded the rich culture and heritage of Karnataka and congratulated the Jain College of Engineering Kannada Balaga for successfully organizing Kannada Sambrama 2026. He encouraged the organizers and students to continue celebrating the spirit of Kannada Sambrama every year with the same enthusiasm and commitment.

Governing Council member Prof Uday Chandra, JCE Belagavi, chief guest Bharathi Basavaraj Madabavi, Principal Dr J Shivakumar, Coordinator Dr Sanjeev Sangami, Convenor Dr Rohith Raj, student president Kushal Ghodgeri graced the occasion. The event concluded with a colourful cultural programme, where students enthusiastically participated, making the celebration vibrant and memorable.
