

Sri Bhagawan Mahaveer Jain Educational & Cultural Trust's

Jain College of Engineering(JCE), Belagavi

(Approved by AICTE, Recognised by Government of Karnataka & Affiliated to VTU)

"ALUMNI MEET" ON 12th AUGUST 2023

JCE BGM REFLECTIONS

Courses Offered: B.E., M.Tech, MBA, MCA

Vision

To be a university as a resource of solutions to diverse challenges of society by nurturing innovation, research & entrepreneurship through value based education

Mission

- To provide a work culture that facilitates an effective teaching-learning process and lifelong learning skills
- To promote innovation, collaboration and leadership through best practices
- To foster industry-institute interaction resulting in entrepreneurship skills and employment opportunities

Core Values

- Accountability
- Continuous learning
- Competency
- Team Work
- Holistic Development
- Societal Responsibility

Message from Principal

The current issue of JCE BGM - Reflections will take readers through the information of activities and outstanding achievements of our students, faculty and staff members for the session July 2023 to Sept.2023.

JCE hosted both 'Shubha Aaramba 2023' for aspiring engineering graduates and on campus alumni meet in this quarter of the year. Induction program was arranged for freshers. JCE is proud of its strong alumni base. The current edition of this newsletter is dedicated to it's alumni. This session also has seen active participation of Parents as well as students. Parents meet was organized in this period. Library Day on 12th August. Independence day on Aug. 15th, Engineer's day on 15th September were some of the celebrations organized. Quiz program on OBE, NBA, NAAC accreditation was also organized. Bureau of Indian Standards club was established in Civil and Mechanical department. NDLI club of institute got certificate of appreciation and adjudged as Best Performing NDLI club in Karnataka. Six patents were filed by faculty/students.

We congratulate all the faculty, staff and students who have contributed for the successful publication of this issue of newsletter.

Dr. J. Shivakumar
Principal & Director

Editor's Speak

This Special issue (July to Sep 2023) is dedicated to JCE Alumni. The Alumni meet was conducted successfully on 12th Aug 2023 by JCE Alumni Association. Many Alumni were a part of it and they shared their memories at JCE. They interacted with the present batch students. This edition covers the flagship event of JCE MBA Adhyay 2023. The fest saw a footfall & active participation of 200 students from colleges across Karnataka, Maharashtra Goa. Lots of College level events were conducted & covered in the present Newsletter. The first year Engineering students were welcomed on 21st Sep 2023. The first year students & their parents were welcomed during Shubha Aarambh.

The Reader's will have a fabulous experience reading this issue of Newsletter.

Dr. S. Rohitraj
Professor, HOD - MBA

This issue highlights various creative events in the college to impart students better knowledge along with fun. Events related to designing, drawing, speaking, technical, management and social awareness were conducted in this quarter. Students were taken for site visits to make them aware about the practical issues. We conducted online Alumni & Parents meet to be always connected with our alumni, to inform them about the college and also take their valuable insights to the improvement of the institution. This is a special edition dedicated for alumni, hence we included their achievements and their contributions to the organisation and society.

Prof. Faiz Raut
Asst. Prof MBA

Principal's Diary

1. Participated in learning visit to Tata Hitachi Construction Machinery Pvt. Ltd., Dharward Plant on 25th July 2023.
2. Attended CII members meet at Orione Hydraulics, Navage, Belagavi on 16th August 2023.
3. Invited as Chief guest for the inaugural program of inter school fest "Infinitum Vyoma-2k23" organized by Jain Heritage School, Belagavi on 25th August 2023.
4. Attended meeting of the Principals of all the affiliated, constituent and autonomous Engineering Colleges of VTU at Bengaluru on 8th September 2023.
5. Attended VTU online Principals Conclave "Implementation of Various Initiatives & Reforms in Assessment and Evaluation System, Issue Based Solutions and Its Outcomes-2023" on 21st September 2023.

BIS Club Orientation program

Orientation program of Bureau of Indian Standards Club (SC-5223) was held on 14th August 2023.

PMKVY 4.0 - Site visit

Civil Engineering PMKVY 4.0 batch students visited the on field Construction site on 31st August 2023 and had hands on session on Brick Mason and Bar Bender.

Site Visit to Airport Link Road - Goa

Field visits to Goa, MOPA Airport Link Road project, Goa was arranged for M.Tech students on 4th September 2023.

Site Visit to Airport Link Road - Goa

Field visit to Construction of Pylon nearby Baina Beach Vasco, Goa was arranged for M.Tech students on 4th September 2023.

Electronics & Communication Engineering

Photography Event : The Creative Eye

JCE IEEE and WIE Student Branch organized a Photography competition on 22nd July 2023. The idea was to capture attractive and creative images of the campus.

Workshop for Social good

Journey of innovative ways of developing and disseminating solutions for social good was organised on 16th August 2023. The resource person was Dr. Piyush Chanana, IIT Delhi.

Workshop on Fullstack development

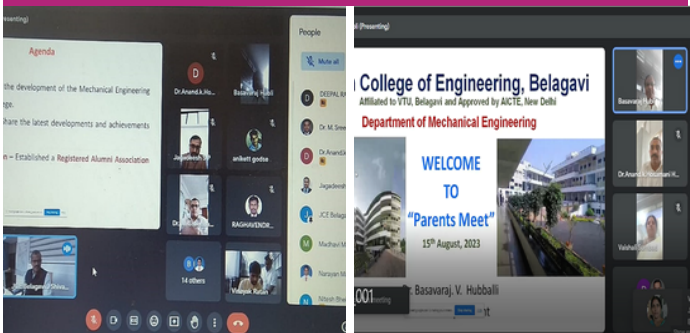

The workshop on 'Road to Success: Rigorous workshop on Fullstack development' was conducted in association with Be Practical Tech Solutions, Hubballi on 10th July 2023. Mr. Rahul, Trainer from 'Be Practical Tech Solutions' was the speaker for the event.

Orientation program of BIS Club

An Orientation Programme for members of Bureau of Indian Standards Club (BIS) was organised on 11th August 2023 to sensitize students about BIS CARE APP.

Online Parents and Alumni Meet

On 15th August 2023 an Online Parents and Alumni Meet was organised to connect with the stakeholders and inform them about the developments of the college and listen to their valuable feedback and suggestions.

Inauguration of BIS Club

Inauguration of Bureau of Indian Standards Club (SC - 5222) was conducted on 15th September 2023.

Career in the Indian Coast Guard

Er. Akshay Mohite Assistant Commandant, Indian Coast Guard gave a talk on Career in the Indian Coast Guard and also shared his experience on board ship to the 4th Sem students on 10th August 2023.

Seminar and Exhibition

Students participated in 46 series state level Seminar and Exhibition which was held at Alvas Institute of Engineering and Technology, Moodbidri on 11th and 12th August 2023.

Start up Idea competition

A competition on Start up ideas was organised under IIC on 21st August 2023 through Yukti 2.0 portal. Project title - GST Billing Application won the prize.

Standards writing competition

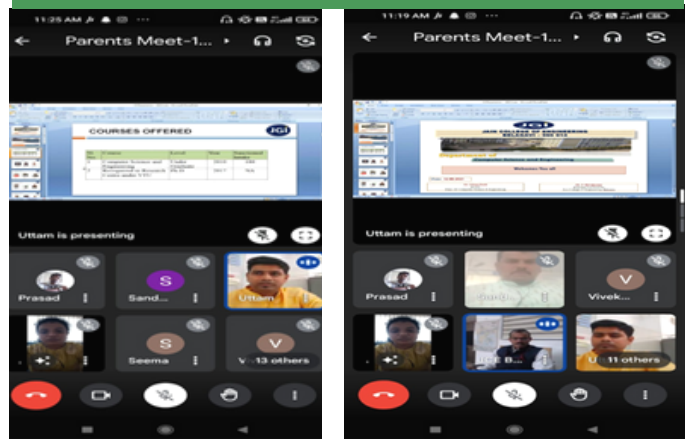

Standards writing competition was organized for club members on 22nd September 2023. Component for the competition was Helmet Standard.

AICTE 'Meri Mati'

Planting of saplings in the JCE campus was organized as a part of AICTE Meri Mati on 5th August 2023 .

Online Parents Meet

On 15th August 2023, Dept. of CSE organised Parents Meet to communicate the students' progress in the college and to solve any difficulties the student is facing.

Poster Presentation Competition

A poster presentation competition was held during "Biology for Engineers" event for 4th Sem students on 26th August 2023.

JCE Smart India Hackathon

Presentations for the JCE Internal Hackathon were held on 22nd and 23rd September 2023. Several teams participated at the Hackathon to present their idea and demonstrate their prototype to the judges.

MCA @ JCE

Student Felicitation Ceremony

Toppers of 1st Sem and 3rd Sem were felicitated during the two days national level hackathon event on 12th July 2023. Dr. Mahesh Mardolkar, Principal from Bhartesh College of BCA, Belagavi was the chief guest.

Ganaka Vidya Hackathon

JCE MCA hosted a 2 day National Level Hackathon (GANAKA VIDYA) on 12th and 13th July 2023. Various colleges in and around Belagavi had participated in the event showcasing their project ideas. The GC was won by BCA department of Gogte College of Commerce.

Cooking without Fire

An event named “Cooking without fire” was organised on 1st August 2023. The event gave a platform to the students to demonstrate their culinary knowledge and skills.

Fine Art

An event named “Fine Art” was organised on 2nd August 2023. Fine art is rooted in drawing and design-based works such as painting, printmaking, and sculpture.

Scilab/Xcos & its Applications

Three day workshop on “Scilab/Xcos and its Applications in Electrical Sciences” was organised from 8th August 2023.

Accelerator/Incubation-opportunities

A session on “Accelerator/Incubation-opportunities for students and faculties-Early stage Entrepreneurs” on 10th August, 2023. The resource person was Mr. Vikrant Desai, Entrepreneur, Belagavi.

Engineer’s Day

Students celebrated Engineer’s day under the aegis of Department students’ association TESLA and The Institute of Engineers (India) on 15th September 2023.

If you want to find the secrets of the universe, think in terms of energy, frequency and vibration

- Nikola Tesla

NSS Activity

NSS Activity - Food wastage

On 12th August 2023 NSS volunteers went to restaurants at Belagavi distributing awareness messages by sticking awareness stickers on tissue holders and on hotel walls.

Visit to High Schools & Foundations

NSS Volunteers had been to Karmaveer Vidhya Mandir High School, KSRP High School Macche and Ashraya Foundation who care for HIV children, in Mahantesh Nagar on 16th August 2023 to Discuss menstrual cycle and sanitary awareness.

Soft Skills session

Personality Development Program organized for MBA students on 4th July 2023. Resource People were Dr. Srivats R and Prof. Shankar Narayan Rao from Shirdi Sai Academy Vidya Kendra, Bengaluru.

Felicitation of Toppers

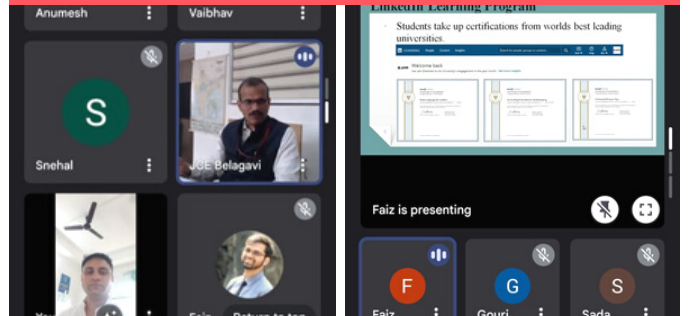

On 10th July 2023, first Sem MBA students were felicitated for their excellent performance during 1st Sem VTU MBA exams. Topper scored 79% and 29 students scored distinction.

Inauguration of Adhyay 2K23

JCE MBA inaugurated National Level Management Fest "Adhyay 2K23" on 1st August 2023. The fest saw a footfall of 200 participants from Karnataka, Maharashtra and Goa. The chief guest was Mr. Sadanand Humbarwadi.

Alumni & Parents Meet

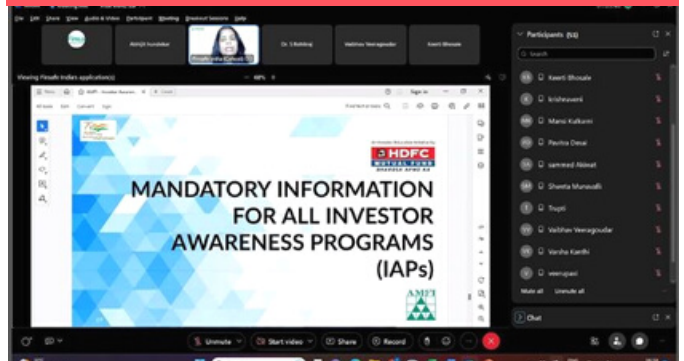

Alumni and Parents meet was conducted on 15th August 2023. Dept. received good feedback and appreciation for their work.

Session on Entrepreneurship

On 21st August 2023 a session on Journey of an entrepreneur was conducted for the MBA students. The resource person was Mr. Abhishek Jakkannavar, Founder at BrightBee.

Financial Awareness Session

An Online Financial Awareness session jointly organized by BSE, HDFC Mutual Fund, AMFI and SEBI to the MBA Students on 22nd August 2023.

Session on Venture Capital

Session on "Venture Capital- for early stage entrepreneurs" organized to MBA, MCA and ED cell students on 1st September 2023. The resource person was CA Sanjeev Deshpande.

Farewell

On 2nd September 2023, farewell function was organised for the final year students. It was attended by students and few parents.

Interaction with expert

On 8th September 2023, Mr. Ajay Kashyap addressed JCE MBA Students. He is the Convenor of the Y20 India Secretariat and also the Representative of India to the Commonwealth Youth Council.

MBA specialization Awareness Program

On 15th September 2023, Dr. Keerthi Shivakumar addressed all the MBA 2nd Semester students on selection of specialization during their final year of MBA.

College Level Events

Brushless Painting

Brushless painting event was conducted under SEC cell on 15th July 2023. Students exhibited their creativity and enthusiasm during their participation.

MOU with Sarus Aerospace

Mechanical engineering signed a MOU with Sarus Aerospace on 28th July 2023. Sarus Aerospace will be extending its expertise to assist Jain College of Engineering in establishing a state-of-the-art research laboratory dedicated to drones.

National Library Day

On Account of Dr. S. R. Ranganathan's birthday, National Librarian's day was celebrated in JCE Central Library on 12th August 2023.

Alumni Meet

On 13th August 2023, Dept. of CSE organised Alumni Meet. Objective of the meeting was to build alumni network and maintain endless relationships.

Biology for Engineers

FDP on Biology for engineers was organised by Dept. of Mechanical Engg. on 26th August 2023. The resource person was Prof. Shivanand Bhagavati, HOD, KLS's VVP.

VTU E-Consortium & Drillbit session

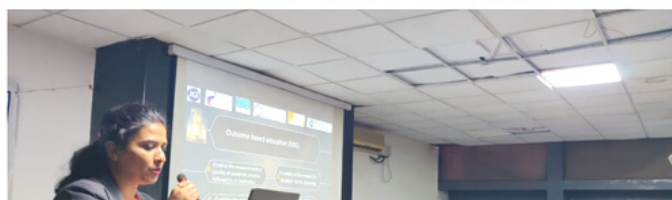

An Awareness Session on VTU E-CONSORTIUM AND DRILLBIT TOOL Organized by Department of Central Library and R&D Cell on 14th September 2023.

Engineer's Day Celebration

On 15th September 2023, Engineers' Day was celebrated at JCE to pay tribute to Bharat Ratna Sir M. Visvesvaraya on his 163rd birth anniversary. The chief guest was Sri. B. G. Moger, Principal of GTTC Belagavi.

Quiz on NBA, NAAC, OBE & Engg marvels

On the Eve of Engineers Day- Birth Anniversary of Sir. M. Visveswaraya, Quiz on NBA, NAAC, OBE & Engineering Marvels was organised on 15th September 2023.

International Democracy Day

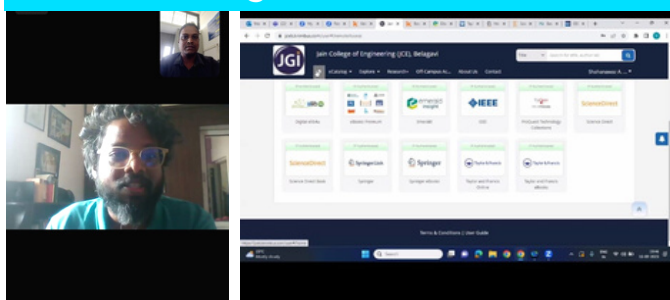

On 15th September 2023, the International Day of Democracy, was celebrated. It is a global observance that underscores the importance of democracy as a fundamental human right.

KEA CET Admission Team

Engineering first year KEA CET admission process for the Year 2023. Students and parents enquiring during admission process. JCE First Year Admission is ON.

Effective Usage of VTU E-Resources

Central library in association with R&D and IIC Cell organized an online training session on "Effective Usage of VTU E-Resources" on 16th September 2023. Mr. Venkatesh, Senior Manager, Knimbus Online Pvt. Ltd., New Delhi was the resources person for the event.

Shubha Aarambha

JCE welcomed a new batch of engineering students for the academic year 2023-2024 on 21st September 2023. All the first year students along with their parents were part of the event. Dr. J Shivakumar, Principal and Director gave a glimpse about the upcoming journey of their college life.

Creativity by Alumni

Electrical & Electronics Engineering
(Batch 2014)

Ms. N S Aishwaryalaxmi,
Research scholar,
Visvesvaraya
Technological
University, Belagavi.

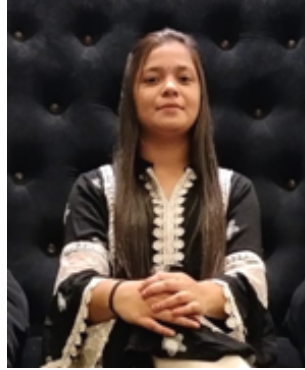

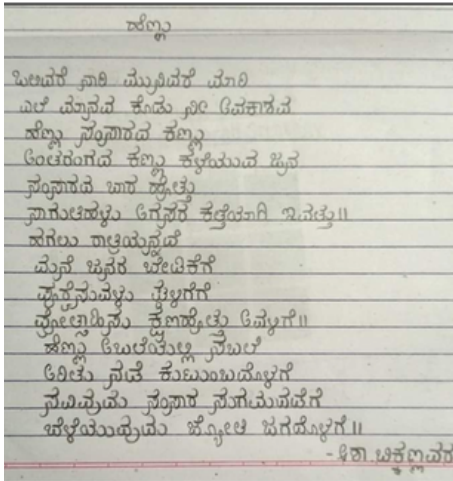

Mechanical Engineering
(Batch 2019)

Mr. Shubham Shivaji
More, Quest Global
Engineering services
Pvt Ltd, Graduate
Engineer Trainee

MBA
(Batch 2020)

Ms. Asha Bikkannavar,
Assistant Manager,
Kotak Mahindra Bank,
Belagavi.

Electronics & Communication Engg
(Batch 2015)

Ms. Swati Ashok Thorali,
Business intelligence
developer, Graphx
solutions India Pvt Ltd.

**“Creativity is intelligence having fun.”
- Albert Einstein.**

Alumni Contribution & Activities

Computer Science Engineering
(Batch 2020)

Mr. Ashwini Madhukar
Haragapure, Software
developer, B+M surface
system Pvt.Ltd is involved
in the social work like
visiting orphanages and
old age homes and
spending time with the
inmates.

Computer Science Engineering
(Batch 2020)

Mr. Soundarya Kumbar,
Software developer, B+M
surface system Pvt.Ltd has
participated in national
level hopping and
badminton competition.
Also won prizes in
sketching, drawing and
dancing.

Alumni Achievements

Mechanical Engineering
(Batch 2018)

Mr. Kedar Ramchandra Deshpande, Quality Assurance and Investigations Engineer, Hydac Technology UK Division has been awarded the degree of Master of Science with Merit having followed an approved programme in Engineering Management from University of Greenwich.

Electronics & Communication Engg
(Batch 2019)

Bharat Kudachi, CV Testing and Model-Based Design Engineer, Isuzu technical Center of America, Plymouth Michigan USA. He has recently completed major in Electrical Engineering with a strong background in alternative fuel Powertrains (EV, HEV, FCEVs) and Power electronics from the University of Michigan, Dearborn, USA.

MBA
(Batch 2020)

Ms. Pooja More, BDM, Axis Securities was awarded Axcel "Gold Club" FY 2022-23 for her appreciable performance and contribution of the Axis Securities.

Electronics & Communication Engg
(Batch 2019)

Mr. Nitin Sumant Hubli, Software Engineer, SLK Software Pvt Ltd, was received a quarterly award for excellence in performance and was recognised as 'Shining Star' for Q2 2022-23.

Electronics & Communication Engg
(Batch 2020)

Mr. Krishna Nadiger, Senior Software Engineer, Apisero Global Integration Solutions -An NTT data company received certificate of appreciation for his outstanding achievements and contributions to Apisero, Inc. on 20th May 2023.

Electronics & Communication Engg
(Batch 2019)

Mr. Moin Nargund, Technical Account Manager - Cloud, Amazon Web Services won the Employee of the year award, 6 certifications from AWS & Microsofy and represented Amazon Web Services in global tech talks, conferences and workshops.

Electronics & Communication Engg
(Batch 2019)

Mr. Chandrashekhar Yaragambalimath, Embedded Software Engineer, JyoSH AI Solutions Pvt. Ltd, has presented a paper entitled IoT based noise monitoring system in the International Conference on Advanced Technologies in Intelligent Control, Environment, Computing and Communication Engineering on 16th and 17th December 2022 in Bangalore.

Computer Science Engineering
(Batch 2019)

Mr. Mohammed Adnan, Intern software programmer, B+M surface system has completed a period of two year as NSS Volunteer from 2019-20 to 2021-22 and attended a NSS Camp from 24th February 2020 to 1st March 2020 held in Hunchanatti, Belagavi.

Feedback from Alumni

Mr. Allan Souz, Lecturer,
Jain Polytechnic,
Hunchanatti, Belagavi.

Reflecting on my journey since graduating from our beloved institution fills me with immense joy. I'm honoured to share that I've recently secured a position as a Lecturer at one of the colleges coming under the JGi Group. A milestone I couldn't have achieved without the solid foundation I received during my time at Jain College of Engineering.

My time as a student was transformational, thanks to the dedicated faculty and challenging curriculum we had. Now, as a Lecturer, I'm determined to pass on the knowledge and values that were shared with me. My goal is to guide the upcoming generation of students, just as my mentors did for me.

The strong sense of community and the supportive alumni network have been invaluable throughout my journey. I look forward to nurturing these connections further as I continue to grow in my new role. Being part of our institution's legacy is an honor, and I'm excited to contribute to its ongoing success. I am deeply grateful for the opportunities I've been given and am committed to maintaining the institution's reputation for excellence in Education.

Mr. Zeeshan P Mahat,
Commissioning & Process
Engineer, Creative Engineers
& Consultants

In the ever-evolving realm of engineering, where innovation takes center stage, I am Zeeshan Mahat, proudly serving as a Commissioning & Process Engineer at Creative Engineers & Consultants (CEAC). CEAC is a name synonymous with pioneering achievements in the manufacturing of Muira Super Gravity Filters, specifically designed for the edible oil processing industry. At CEAC, we are steadfast in our commitment to delivering cutting-edge solutions.

One of the most notable milestones in my career unfolded during my recent expedition to Chhattisgarh, Raipur at Kamal Solvents for the commissioning of a Muira Super Gravity Filter. This venture was both intricate and gratifying, serving as a testament to CEAC's unwavering dedication to redefining the landscape of edible oil processing.

My professional odyssey at CEAC has been adorned with various milestones, each underscored by the transformative potential of engineering in revolutionizing industries. My resolute commitment to innovation and the relentless pursuit of excellence isn't merely a personal creed; it also stands as an inspiration to my fellow engineers and aspiring professionals.

CEAC's Muira Super Gravity Filters, celebrated for their unparalleled efficiency, represent a paradigm shift in the edible oil processing realm. Our mission at CEAC is to continue shaping the future by delivering state-of-the-art solutions to meet the industry's evolving needs.

As a Commissioning & Process Engineer, my role is multifaceted. It involves meticulously fine-tuning these groundbreaking filters, optimizing processes, quality production and ensuring their seamless operation. This task is pivotal in bringing this technology to life, consistently driving us toward higher levels of efficiency and sustainability in edible oil processing.

Few Alumni who are connected with the Institution & associated with the reputed companies.

1. Mr. Durgesh Nandan from Computer Science -Batch 2020 is working in Working at Quantiphi as a Senior Software Developer II in the UK.
2. Mr. Prajit Bhat from Computer Science department - Batch 2018 is presently working in Starmark Softwares as a Software Engineer.
3. Mr. AZIZULHAQ INAMULHAQ SHAH from Civil department - Batch 2017 is presently the Founder and CEO in A.I.SHAH CONSTRUCTION.
4. Mr. Ramesh Krishnagoudar from MCA department - Batch 2020 is working in AMC Engineering College Bangalore as an Assistant professor.
5. Mr. Lekharaj Malagi from Electronics & Communication department - Batch 2017 is Co Founder & Business Head of GREENLAND FRESCO.
6. Mr. Moin Nargund from Electronics & Communication department - Batch 2019 is working in Amazon Web Services as a Technical Account Manager.
7. Mr. Alfán Tashildar from Computer Science from - 2018 is working in Tata consultancy services Pvt Ltd as a Assistant system engineer.
8. Mr. Omkar V Belgaonkar from Computer Science - Batch 2019 is working in ITChamps Software Pvt. Ltd. Bangalore as a Associate Abap Consultant.

Student Engagement Cell (SEC) brings students together based on their interests and builds relations. Its purpose is to create connections, expand skills, and explore different elements of college life while making lifelong friends. This cell was formed on 6th February 2022. It comprises of Student Office bearers and student representatives from all departments for the smooth coordination of activities.

Students' Clubs are the main hub of student activity. They help the students in boosting their social skills and helps in self-development. Communication is a vital asset in students' lives and it helps the students to explore their freedom of speech in the right way.

Prof. Minal Patil was the co-ordinator of Student Engagement Cell till 30th September 2023. With her departure new co-ordinator Prof. Varsha Gokak was appointed as new SEC co-ordinator.

Congratulations to Prof. Varsha Gokak for her appointment as a SEC co-ordinator. She is currently assistant professor in department of Civil Engineering with about a decade experience in teaching. Team JCE wishes her all the very best in her new assignment.

Sketches by Students

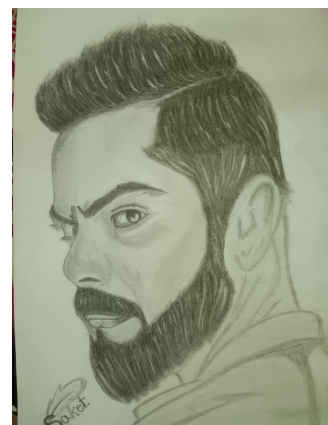

Mr. Omkar, 4th sem,
Department of Computer Science

Ms. Rahmeen Sulebhavi, 4th Sem,
Department of MBA

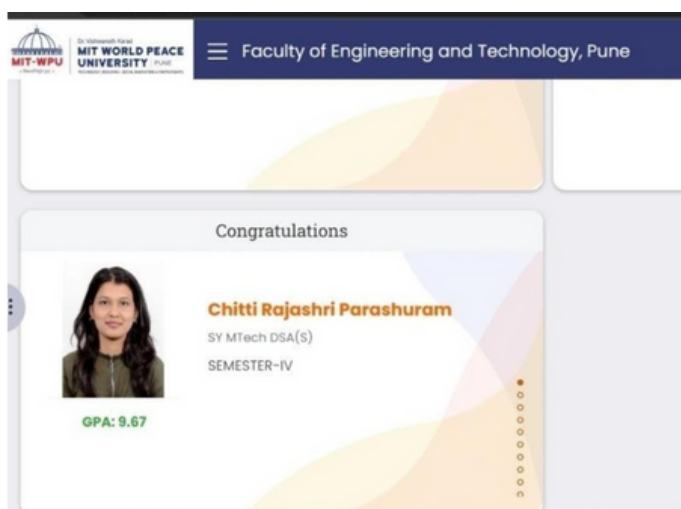

Ms. Saniya Multani, 2nd Sem,
Department of Computer Science

Mr. Saket Raj Singh, 4th Sem,
Department of Computer Science.

Student Achievement

Congratulations Ms. Rajashri Parashuram Chitti for securing First Rank in M.Tech(DSA) from MIT World Peace University Pune

Life's journey unfolds

In the mosaics of life, a journey unfolds,
With stories and mysteries untold.
Through highs and lows, bravely we travel the way,
Seeking purpose and embracing each new day.

With youthful enthusiasm, we set forth in swiftness,
Dreams in our hearts, no challenge we would leave in leisureliness.
Yet obstacles arise, and trials we face,
But resilience and hope help us keep the pace.

Through laughter and tears, we overcome our greatest fears,
Learning life's lessons pleasantly, year by year.
As seasons change, so do we evolve,
Like a butterfly from a cocoon to resolve.

Cherishing blissful moments, both big and small,
For they're the building blocks of life, that shape us all.
Embracing change, we spread our wings wide,
In the grand symphony of life, we find our stride.

With every step, the path may bend and twine,
Yet, we march on, for life's journey is divine.
Let's relish each moment, making worthy every breath,
For in this adventure, with endurance we conquer life's depth.

Rahmeen Sulebhavi
2nd year, MBA

Faculty Achievements

1. A research Scholar Mr. Satish Hooli working under the guidance of Dr. Sanjeev Sangami (HOD, Department of Civil Engineering) is Awarded Doctorate Degree on topic "Vermi composting of Tender Coconut Waste and Its Potential Application for the Detoxification of Herbicides in Soil" on 14th July 2023.
2. Dr. S Rohitraj was invited as a guest speaker at Tedx Amboli Chapter held on 15th July 2023 to speak.
3. Prof. Shashank U. Vanakudari, Attended 2 days Mentors training program Organized by Bureau of Indian standards(BIS) held at Naveen Hotel Hubli on 20th and 21st July 2023.
4. Prof. Rajshekhar Unni attended a 2 days workshop on Bureau of Indian Standards at Naveen Hotel, Beside Unakal Lake, Hubli-Dharwad Road conducted on 20th and 21st July 2023.
5. Dr. Sanjeev Sangami, Invited as Panel Expert on topic "Manufacture sand a Solution and an alternative to river sand" Organized by JK Super Cement on 9th August 2023.
6. Dr. Sanjeev Sangami, Dr. Sachin M. Kulkarni, Dr. Nityanand Kudachimath and Prof. Shashank U. Vanakudari attended Two days workshop on " IPR Patent Filing" Held in JCE Belagavi on 10th and 11th August 2023.
7. Prof. Shashank U. Vanakudari, Attended Faculty development programme on UN sustainable development goals organized by internal quality assurance cell and UN Academy in fact Amal College of advanced studies Nilambur, Kerala, India on 29th August 2023 in collaboration with do you United Nations in New York USA.
8. Prof Shafiqahmed Yellur, attended one Day International Workshop in virtual mode on "EXPLORING MOLECULES VIA GRAPH THEORY" organised by Vellore Institute of Technology, Vellore, Chennai on 08th Sep 2023.
9. Dr. Manjula V. Kalyanshetti, attended one Day International Workshop in virtual mode on "EXPLORING MOLECULES VIA GRAPH THEORY" organised by Vellore Institute of Technology, Vellore, Chennai on 08th Sep 2023.
10. Rajshekhar V Unni & M Sreedhar Babu published Effect of through slots and dwarf finned heat sinks on electronic cooling load in Recent Trends in Mechanical Engineering, pp. 507-516, Springer Publication, 8th June, 2023. A selected paper from PRIME - 2021, NIT Patna, India.
11. Vidya Dandagi received a certificate of Appreciation for valuable mentoring for Hackathon " CodXPress" a section -level hackathon organized by the IEEE Bangalore section.
12. Dr. Sanjeev Sangami, Published a paper on "A Study On Vermiremediation of herbicides (2-4D) in soil", Journal PurakalawithVol.No31 Issue No 02 Page No 2216 and published by Rock well Art Society of India with ISSN :0971-2143.
13. Dr. Sanjeev Sangami, Published a paper on "An Optimum Approach Of Vermicomposting Using Tender Coconut Fiber ",Journal Purakala with Vol.No31 Issue No 02 PageNo 2083 ISSN : 0971-2143.
14. Prof. Raviprakash Phattepur received a certificate of appreciation for his contribution as a resource person Learning Based Events organised by NDLI Club.
15. Mr. Shahanawaz A. Peerzade received a certificate of appreciation for his contribution as a co-ordinator for the Learning Based events organised by NDLI Club.
16. Mr. Sunil Sontakki and Suraj More received a certificate of appreciation for his contribution as a assistant co-ordinator for the Learning Based events organised by NDLI Club.
17. Prof. Vinayak Patki attended "25th ISTE Karnataka State Level Faculty Development Program on NEP, NAAC and NBA" organized by KLS Gogte Institute of Technology, Belagavi held on 26th April 2023.

Ph.D. Awardees

Prof. Ryan Dias, was awarded with a Ph.D. during the VTU convocation held on 1st August 2023. His research topic, 'Performance Measurement and Comparison of Localized GPS using Machine Learning for Wireless Networks,' was guided by Dr. Sayed Abdulhayan. The research is centred around creating localized positioning mechanisms that leverage machine learning algorithms to precisely identify and locate previously unknown target locations within wireless networks.

Mrs Manjula V. Kalyanshetti of Mathematics Department was awarded the Doctor of philosophy (Ph.D) in GRAPH THEORY(Mathematics) at 23rd Annual Convocation of Visvesvaraya Technological University (VTU) held on 1st Aug 2023 by the Belagavi for her thesis entitled " SOME DISTANCE CONCEPTS IN GRAPH THEORY" under the supervision of Dr. Shailaja S. Shirkol of SDM Engineering College of Technology, Dharwad.

TOBY Movie Promotion in JCE

Anti-Ragging Committee is established in the Campus & JCE is a part of National Ragging prevention project. All the students are made to fill the E-Affidavit form. Dr. J Shivakumar is the Chairman and Prof. Praveen Chitti is the convener of the Committee.
